

Dear Parents and Campers,

Welcome to MAX Camp! Your child/ren will have the opportunity to participate in a variety of planned indoor activities, crafts, and field trips!

Our regular hours will run 9:00 am.-4:00 pm. Early and late care are available for an additional fee. All Campers will need to be registered the Friday prior to the week of Camp. We believe this will strengthen the bond and friendships campers form with our staff and fellow campers and ensures the camper to counselor ratio meets the American Camp Association requirements as well as keeping our staff and campers safe.

Please review the parent handbook for our camp policies, procedures and expectations. A careful reading will answer many questions and help you prepare for your child's time at camp this break.

Thank you for choosing MAX Camp and we are looking forward to a great break camp!

Counselors

All camp staff have gone through an interview and background check process to ensure the safety of your camper. Counselors are trained in leading and organizing activities and how to manage camper behaviors. All counselors and MAX staff are also CPR/First Aid/AED certified/Mandated Reporter. The main goal of our staff is to provide a safe, fun, and caring environment for your camper.

Child Protection Procedures

All staff members are mandated to report any suspected child abuse.

Our Policies:

- Staff is prohibited from working one-on-one with campers outside of the MAX Camp (i.e. babysitting).
- Policies exist to ensure staff are not alone with a child.
- A buddy system is in place to ensure campers safety.
- Campers are split into groups by age.

Sign In/Out Procedures:

An authorized parent or guardian must sign in/out camper. We will not allow a child to leave with someone who is not on the authorized pick-up list.

Health Policies:**Medications:**

All medications must be given directly to the Camp Coordinator from a parent or guardian in its original bottle. A medication form must be filled out by a parent/guardian with specific details for administering the medication. We do not object to giving prescribed medicine to a camper if the camper is well enough to participate in activities and that giving the medicine does not interfere with the daily schedule. Camp is not permitted to give medication to a camper without a med form filled out and medication clearly labeled in original bottle, there are no exceptions.

Injuries at Camp:

A camper who receives an injury at camp will be given first aid by a certified staff member and a parent will be notified. Any camper sent home with a serious injury may not return to camp unless approved by a physician. The Camp Coordinator must receive a note from the physician prior to the camper returning.

Illness at Camp:

A sick camper cannot do well in a group setting and it is difficult for the staff to give a sick camper the extra attention they may need. If a camper becomes ill during the day a parent will be notified and the camper must be picked up from camp.

Please help keep camp healthy and do not send a sick camper to camp.

CAMPER EXPECTATIONS AND BEHAVIOR MANAGEMENT

It is the goal of the MAX to provide a healthy, safe, and secure environment for all camp participants. Children who attend the program are expected to follow the behavior expectations and to interact appropriately in a group setting.

Behavior Expectations for Campers

- Campers are responsible for their actions
- Campers keep hands and feet to self
- Respect others and the camp environment
- Be safe

Behavior Management Procedures

When a camper does not follow the behavior guidelines, we will take the following steps:

1. Staff will redirect the camper to more appropriate behavior.
2. The camper will be reminded of the behavior guidelines and camp rules.
3. If the behavior continues, staff will remove the child from the activity for “quiet time”.
4. A parent will be notified of the problem.
5. The staff will document the situation. This written documentation will include what the behavior problem is, what provoked the problem, and the corrective action taken.
6. If the problem persists, staff will schedule a meeting that includes the parent, camper, MAX Camp Coordinator and the MAX General Manager. One or more incidents of unacceptable behavior may result in the child’s suspension from camp for a designated period.
7. If a child’s behavior at any time threatens the immediate safety of that child, other children, or Staff, the parent will be notified and expected to pick up the child immediately.
8. There will be a Zero Tolerance policy regarding verbal or physical threats toward fellow campers or staff.
8. Expulsion from camp will be considered in extreme cases.
9. No refunds will be issued if your child has been removed from the program for disciplinary reasons.

The following behaviors are not acceptable and will not be tolerated:

- Endangering the health and safety of themselves or others
- Swearing
- Leaving camp without permission
- Continuing to disrupt the program
- Damage of property
- Bullying another camper
